Subject: Derelict boat at Johns Cove

Hello Councillors,

Attached please find five images of a boat that is resting at Johns Cove. DFO put it there after the boat was abandoned off Ship's Stern back in the Fall. There had been a fire on the boat.

As you all must know John's Cove is a very popular beach where families come with their children from May onward. I think this boat with shattered glass throughout is an immediate hazard to children. The motor is exposed and there are many dangerous parts. It is incumbent on the Municipal Council to get DFO to remove the boat from the beach at Johns Cove before beach season.

Trusting you will act promptly on this ,

Frances Morris
