**Re: Request for More Resources**

The Municipality of Argyle and the Municipality of the District of Yarmouth would like to inform you of the approval of the addition of two RCMP officers to be filled in the 2025-2026 fiscal year, with a third officer to be added in the 2026-2027 fiscal year as per a request from the GDPRR. This request aims to address the growing needs of our communities and to ensure the continued safety and security of our residents.

Additionally, we propose that once the new positions have been filled, the RCMP, in partnership with the Province of Nova Scotia, conduct a re-evaluation of policing resources within an 18-month period. This review would help assess the effectiveness of the new officers and identify any further needs for our communities, ensuring that policing resources are appropriately aligned with the demands of the region.

We are confident that these additions will contribute to the safety and well-being of our residents.

Sincerely,

Nicole Albright  
Warden of the Municipality of Argyle
