

Snow and Ice Control Standards

Organization Name: Municipality of the District of Yarmouth

Effective Date: 1 April 2026

Last Updated: 1 April 2026

1. Purpose

The purpose of these Snow and Ice Control Standards is to ensure that pedestrian facilities remain safe, usable and accessible during winter conditions. This plan is developed in accordance with Section 27 of the Built Environment Accessibility Standard Regulations under the Accessibility Act.

2. Scope

These standards apply to all pedestrian facilities owned, operated, or maintained by the Municipality of the District of Yarmouth, including but not limited to:

- Sidewalks and walkways
- Exterior paths of travel
- Curb ramps and blended transitions

3. Seasonal Maintenance Operating Procedures

These standards can be found on the Municipality's website using this [link](#) (or at <https://munyarmouth.ca/services/public-works/seasonal-maintenance-operating-procedures/file>)

4. Reporting and Remediation

If snow or ice conditions create an accessibility barrier:

Contact: Report issues to the administrative reception desk or call 902-742-7159 or email admin@munyarmouth.ca

5. Public Availability

These standards are made publicly available as follows:

- **Website:** [Accessibility Plan - Municipality of the District of Yarmouth](#)
- **Alternative Formats:** Contact the administrative reception desk or call 902-742-7159 or email admin@munyarmouth.ca request this plan in another format
