

ATTACHMENT A

To: Planning Advisory Committee (PAC)
Municipality of the District of Yarmouth (MODY)

Submitted by: Madelyn LeMay, LPP, MCIP

Date: May 19, 2026 PAC Meeting

Subject: LUB Amendments: Home Occupations
Recommendation Report to PAC

:

1.0 LEGISLATIVE AUTHORITY

Municipal Government Act Section 220.

2.0 RECOMMENDATION

Should the Planning Advisory Committee (PAC) wish to forward a positive recommendation, the following motion would be in order:

... that Council give First Reading and hold a Public Hearing to consider amending the Land Use By-law to allow pet grooming as an additional home occupation in a manner substantively the same as shown in Appendix C of the staff report to PAC dated May 19, 2026.

3.0 BACKGROUND

On March 18, 2026, Keri-Anne Goreham applied for an amendment to the Land Use By-law (LUB) to permit the use of a portion of her home as a dog grooming facility. Although Home Occupations are supported by the Municipal Planning Strategy (MPS) and regulated through the LUB, dog or pet grooming is not listed as a permitted Home Occupation.

4.0 DISCUSSION

4.1 Municipal Government Act

Section 220(4) of the Municipal Government Act enables Council to determine where specific uses are permitted and what regulations will be placed on them; this includes home occupations.

4.2 Municipal Planning Strategy

Council supports Home Occupations in the MPS: Policy 4-70 states: *“Council shall, through the Land Use By-law, permit low-impact home occupations within all zones that permit dwellings, with controls around parking, signage, and floor area.”*

Policy 4-71 enables several additional specific Home Occupations by site plan approval in the Hamlet Residential Zone, Hamlet Commercial Zone, Rural Development Zone, and Rural Commercial Zone. The applicant’s lot is located in the Residential General (RG) Zone.

4.3 Land Use By-law

The LUB sets out the requirements for Home Occupations and lists the potential uses in Section 7.6.1 (Appendix A).

4.4 Statements of Provincial Interest

One of the Statements of Provincial Interest is a Statement regarding Housing. It does not address the use of dwellings for home occupations.

4.5 Municipal Climate Change Action Plan

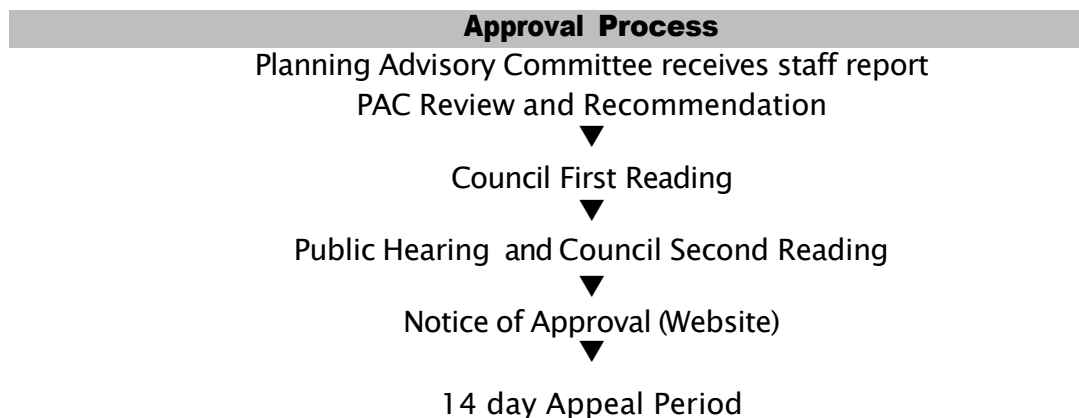

The MCCAP has no direct relevance to Home Occupations.

4.6 Draft Amendments

The proposed amendments are straightforward; they involve adding the term “pet grooming” to the definition section of the Land Use By-law and adding the term to the list of permitted Home Occupations. Appendix B shows the proposed amendment in colour for ease of reading; Appendix C is the amendment in the formal style required by the Province.

5.0 NEXT STEPS

As noted above, the proposed amendments have been considered within the context of the specific policies of the MPS and are consistent with the intent, objectives and policies of the MPS. The proposed amendment to permit pet grooming as an additional Home Occupation reflects the intent of the existing MPS policies. As a result, planning staff recommends proceeding with the approval process for the proposed amendments.

6.0 FINANCIAL IMPLICATIONS

There are no financial implications related to this amendment for the Municipality.

7.0 ALTERNATIVES

In response to the application, PAC may:

- request further information on a specific topic;
- determine that the application does not meet the criteria of the MPS and make this recommendation to Council.

Appendix C Proposed Amendments

Purpose:

Text amendments to the Land use By-law to allow pet grooming as an additional home occupation.

Amend the text of the Land Use By-law of the Municipality of the District of Yarmouth as follows:

1. In Chapter 32, *Definitions*, between the definitions of “Personal Service Shop” and “Places of Worship”, add the definition of *Pet Grooming* as follows:

Pet Grooming means the care of the physical appearance of domesticated animals including maintaining a pet’s hygiene and appearance through services such as bathing, brushing, hair trimming, nail clipping, and ear cleaning. Pet grooming does not include keeping animals overnight or in outdoor kennels. Only retail sales of products used in the pet grooming business shall be permitted.

2. In *Table 4: Low-impact Home Occupation Requirements* of s.7.6.1 add the term “pet grooming” as item xi. At the end of the list of permitted uses, so that Table 4 reads as follows:
